Welcome to the 2021 Georgia State Trapshoot

Welcome Fellow Trapshooters,

I think it is safe to say we all are glad to put the year 2020 in the rear view mirror. For the first time in recent history, trapshooting took a back seat to surviving this terrible pandemic. As we begin 2021, I am sure we are all ready to get back to spending time with our trapshooting family and friends - competing in the sport we all love. To that end, the Georgia Amateur Trapshooting Association, its State members and South River Gun Club (our Homegrounds) wish to extend an invitation to attend our 2021 Georgia State Trapshooting Championships.

In addition to the added money and great trophies for residents and non-residents, a special \$500 purse will be open to all participants in the special event following Friday's Event #6, the John D. Hiter Memorial Handicap. Two numbers will be drawn and this shootoff will follow Event #7.

On Saturday at 5:00 p.m., shooters and family members are invited to a barbecue dinner - once again catered by Big Pigs Barbecue. This has become an annual tradition, and Dave Adams and his crew do an outstanding job every year.

I look forward to seeing you at another great Georgia State Trapshoot. Our goal is to make this a pleasant experience for everyone.

Mike Reed
GATA President

2021 ANNUAL BUSINESS MEETING

The annual business meeting of the Georgia Trapshooting Association will be held at 8:30 a.m. on Sunday.

All Georgia shooters are encouraged to attend the meeting, awards presentation, and participate in the election of officers.

The Georgia State Championship of 200 Singles on Saturday, May 1, 2021 at South River Gun Club will be the only qualifying Trap event in which to qualify for the AIM Program for Trap in Georgia. Contestants must shoot in this event to be eligible to compete in the National AIM Trap Competition. The ATA Rules will govern this qualifying shoot. All AIM championship squad entry forms must be received by the state director no later than 21 days prior to the AIM State Championship for Trap. The GATA supports the AIM program. Go to www.aim4ata.com for more information.

CLASSIFICATION

ATA rules will govern this shoot. Shooters will be classified in accordance with the recommended procedures in the current ATA Official Rule Book. **Your ATA card must be presented and up to date with scores averaged prior to being classified.**

Be sure your classification and handicap yardage are marked on your average card by a member of the Handicap Committee before you leave the table. **It is the responsibility of the shooter to know the rules.** You are subject to penalties for shooting in the wrong classification or disqualification for shooting on the wrong yardage.

Shooters involved in ties have the responsibility to check with Shoot Management, before leaving the grounds, to find out how their particular tie will be settled. Shooters not answering a shoot-off call will forfeit their rights to trophies and added money. Shoot-offs will be for trophies, class, categories or place and will be at the discretion of SHOOT MANAGEMENT. Added money follows trophy.

TROPHIES

Only one trophy will be awarded to any one shooter in the same event. If a shooter ties for Champion, and loses the shoot off or carryover, then the shooter must take category over class/yardage.

Shooters must declare category when classifying.

JOHN D. HITER MEMORIAL HANDICAP

**\$500 SPECIAL PURSE for Event 6 (see page 11)
High Gun - 4 Places (\$200, \$150, \$100 & \$50)**

All shooters participating in the John D. Hiter Memorial Handicap are eligible to compete for the special \$500 purse. No additional fee is required. Upon completion of the John D. Hiter Memorial Handicap event, two numbers between 0 and 9 will be drawn. Any shooter's score that ends in either of these two numbers will have the opportunity to shoot off for the special purse at the handicap yardage shot during the event. The shoot-off will consist of ten-target sub-events until the winners have been determined. Shooters must furnish their own shells.

2021 GEORGIA STATE SHOOT TARGET REQUIREMENTS

- 800 registered 16-yard targets combined for the current and previous year or shoot Class B or higher.

- 800 registered handicap targets combined for the current and previous year or shoot 3 yards farther back than the yardage shown on their ATA Average Card; however, no shooter will be penalized beyond the 25-yard line except at the discretion of the Classification Committee.
- 500 registered doubles targets combined for the current and previous year or shoot Class B or higher.

All preliminary targets shot on Thursday, April 29, 2021 may be used to fulfill target requirements to avoid shooting penalty (class or yardage) in subsequent events. **It is the shooter's responsibility to make sure you meet the target minimums to avoid shooting penalty. If targets shot on Thursday are shot as penalty, but gives you the minimum necessary to avoid shooting penalty for the remainder of the tournament, you MUST reclassify on Friday morning.**

After you reclassify, make sure the **CASHIER** knows this and updates your tournament record.

Lady I, Lady II, Sub Veteran, Veteran and Senior Veteran shooters with less than 800 handicap targets in the current and previous year shall be assigned their current yardage or 20 yards, whichever is greater. Sub-Junior classification will be exempt from all minimum target requirements.

COACHING

ATA Rules specify that the only people allowed on the field during a registered shoot are the shoot help, referee/scorers and the shooters themselves. All others must remain well behind the line and not interfere with or attempt to influence the scorer. No coaching or encouragement of shooters on the line is allowed by anyone not properly on the field. No coaching by other squad members. Strictly enforced.

This certifies that South River Gun Club has been authorized to hold a registered trap shoot from April 29 - May 2, 2021.

ATA official rules will govern the conduct of this tournament.

— ATA Executive Director —

MANAGEMENT

Daily Fees: \$6 (ATA \$3 & GATA \$3)

Shooting will start on time each day. Shooters missing their first 25 targets with their squad may make those up on the practice trap. Shooters missing their first 50 targets with their squad may re-squad for a \$20 re-entry fee.

NO ENTRIES REFUNDED UNLESS EVENT OR SHOOT IS CANCELED.

Shooters should check their scores after each station sub-event and scores posted to the scoreboard. Scoreboard errors should be reported promptly to the Cashier. Pay-out sheets will be posted for all events except the last day. Management will not be responsible for errors in scores after options have been posted on the scoreboard. **Pay-outs for shooters winnings and options will be mailed out in one check following the conclusion of the shoot.** The check will be mailed to the address on the ATA card used for entry. When so mailed, the GATA or Cashier will not be liable for any reason for undelivered checks.

Due to the increased cost of production and postage, the GATA will be mailing only one program to each address within our mail database. There will be additional copies available at the classification desk during our State shoot. An abbreviated program can be printed from www.gatrap.com.

Shoot management reserves the right to reject any entrant and to modify the program at any time during the shoot. In the event of a dispute, members of the GATA Executive Committee will render a binding decision.

No class advancement for Thursday's events. Subsequent wins and ties will move up in class. Shooters earning yardage must have their card punched before shooting in the next handicap event.

It is the shooter's responsibility to ensure all shoot fees, options and ATA membership dues are paid before shooting in any sub-event. Failure to do so will result in disqualification for the entire event.

Closing of events will be solely at the discretion of shoot management.

Entries will automatically close for every event except for the Singles Championship event on Saturday when the last squad for that event takes the firing line. Saturday's event will be limited to 57 squads or equivalent.

Ten program traps and one practice trap when available, all with Canterbury Voice Release Systems, will be used for the entire program.

Field 11 may be a program trap for Saturday's singles only, otherwise it will be used as a practice trap - at management discretion.

White Flyer Orange Dome targets will be thrown.

Classification and squadding will be available Wednesday after 2:00 p.m. in the clubhouse. Practice will also be available on Wednesday.
