# Welcome to the 2024 Georgia State Trapshoot

“Fellow Trapshooters, welcome to our 2024 Georgia State Trapshoot” held at South River Gun Club in Covington, GA.

Once again we are excited to have you visit us during our 101st Annual State Shoot. As in the past, attendance pins will be given to all participants. Also, South River Gun Club will have shotgun shells for sale.

This year, the Georgia Amateur Trapshooting Association (GATA) will add \$500 for the combined scores of doubles event #'s 3 and 4 to be divided equally amongst the five class winners. Event 4 is not part of the HOA; but does add to the target count to keep from shooting penalty class.

For resident and non-resident shooters, we will add a special \$500 purse open to all participants in the special event following Friday's Event 6—the John D. Hiter Memorial Handicap. Two members will be in the drawing, and this shoot off will follow Event #7.

Shooters, on Saturday around 5PM, you, your family members and friends, are welcome to our complimentary barbecue dinner. As many of you already know, Dave Adams and his crew, “Big Pigs Barbecue”, caters the best. For more than 18 years, this has become an annual tradition and expectation. As you leave, please share your gratitude and appreciation to Dave for a job well done.

Please relax and feel comfortable at another great Georgia State Trap Shoot. Our goal and commitments are to make this shoot a pleasant experience for each and everyone. I want to say thanks for taking time out of your busy schedule to come visit with us during our state shoot. I hope to see many of you at other state shoots soon.

Russ Wright  
GATA President

# SHOOT-OFFS

Ties in Events 1, 4, 5 and 7 will be carried over to the next similar event by sub event. Event 3 ties carry over to Event 5. Ties in all other events will be shot off. Shooters involved in ties have the responsibility to check with Shoot Management, before leaving the grounds, to find out how their particular tie will be settled. If no parties present, ties settle by reverse sub event. Shooters not answering a shoot-off call will forfeit their rights to trophies and added money. Shoot-offs will be for trophies, class, categories or place and will be at the discretion of SHOOT MANAGEMENT. Added money follows trophy.

# TROPHIES

Only one trophy will be awarded to any one shooter in the same event. If shooter ties for Champion, and loses the shoot off or carryover, then the shooter must take category over class/yardage. No trophies will be mailed.

# JOHN D. HITER MEMORIAL HANDICAP

**\$500 SPECIAL PURSE for Event 6 (see page 11)**  
**High Gun - 4 Places (\$200, \$150, \$100 & \$50)**

All shooters participating in the John D. Hiter Memorial Handicap are eligible to compete for the special \$500 purse. No additional fee is required. Upon completion of the John D. Hiter Memorial Handicap event, two numbers between 0 and 9 will be drawn. Any shooter whose score ends in either of these two numbers will have the opportunity to shoot off for the special purse at the handicap yardage shot during the event. The shoot-off will consist of ten-target sub-events until the winners have been determined. Shooters must furnish their own shells.

This certifies that South River Gun Club has been authorized to hold a registered trap shoot from April 25 - April 28, 2024.

ATA official rules will govern the conduct of this tournament.

— ATA Executive Director —

# 2024 GEORGIA STATE SHOOT TARGET REQUIREMENTS

- 800 registered 16-yard targets combined for the current and previous year or shoot Class B or higher.
- 800 registered handicap targets combined for the current and previous year or shoot 3 yards farther back than the yardage shown on their ATA Average Card; however, no shooter will be penalized beyond the 25-yard line except at the discretion of the Classification Committee.
- 500 registered doubles targets combined for the current and previous year or shoot Class B or higher.

All preliminary targets shot on Thursday, April 25, 2024 may be used to fulfill target requirements to avoid shooting penalty (class or yardage) in subsequent events.

**It is the shooter's responsibility to make sure you meet the target minimums to avoid shooting penalty.**

**If targets shot on Thursday are shot as penalty, but gives you the minimum necessary to avoid shooting penalty for the remainder of the tournament, you MUST reclassify on Friday morning.**

After you reclassify, make sure the **CASHIER** knows this and updates your tournament record.

**It is the shooter's responsibility to shoot from the correct yardage or your targets will be disqualified.**

Sub Junior and Senior Veteran shooters are exempt from all minimum target requirements.

## COACHING

ATA Rules specify that the only people allowed on the field during a registered shoot are the shoot help, referee/scorers and the shooters themselves. All others must remain well behind the line and not interfere with or attempt to influence the scorer. No coaching or encouragement of shooters on the line is allowed by anyone not properly on the field. No coaching by other squad members. Strictly enforced.

# MANAGEMENT

**Daily Fees: \$8 (ATA \$4 & GATA \$4)**

Shooting will start on time each day. Shooters missing their first 25 targets with their squad may make those up on the practice trap. Shooters missing their first 50 targets with their squad may re-squad for a \$20 re-entry fee. **NO CREDIT CARDS will be accepted.**

**NO ENTRIES REFUNDED UNLESS EVENT OR SHOOT IS CANCELED.**

Shooters should check their scores after each station sub-event and scores posted to the scoreboard. Scoreboard errors should be reported promptly to the Cashier. Pay-out sheets will be posted for all events except the last day. Management will not be responsible for errors in scores after options have been posted on the scoreboard. **Pay-outs for shooter's winnings and options will be mailed out in one check following the conclusion of the shoot.** The check will be mailed to the address on the ATA card used for entry. When so mailed, the GATA or Cashier will not be liable for any reason for undelivered checks.

Due to the increased cost of production and postage, the GATA will be mailing only one program to each address within our mail database. There will be additional copies available at the classification desk during our State shoot. An abbreviated program can be printed from [www.gatrap.com](http://www.gatrap.com).

**Shoot management reserves the right to reject any entrant and to modify the program at any time during the shoot. In the event of a dispute, members of the GATA Executive Committee will render a binding decision.**

No class advancement for Thursday's events. Subsequent wins and ties will move up in class. Shooters earning yardage must have their card punched before shooting in the next handicap event.

It is the shooter's responsibility to ensure all shoot fees, options and ATA membership dues are paid before shooting in any sub-event. Failure to do so will result in disqualification for the entire event.

Closing of events will be solely at the discretion of shoot management.

Entries will automatically close for every event except for the Singles Championship event on Saturday when the last squad for that event takes the firing line. Saturday's event will be limited to 57 squads or equivalent.

Ten program traps and one practice trap when available, all with Canterbury Voice Release Systems, will be used for the entire program.

**Field 11 may be a program trap for Saturday's singles only, otherwise it will be used as a practice trap - at management discretion.**

**Practice Trap fee - \$7.00/25.**

White Flyer Orange Dome targets will be thrown.

Classification and squadding will be available Wednesday after 2:00 p.m. in the clubhouse. Practice will also be available on Wednesday.
